

**REMARKS**

Claims 11, 13, 18-20, 37-38, 40-41, 44, 50-55, 57-58, and 60 are allowed in the present application. Claim 37 is currently amended for the sole reason of correcting a clerical inaccuracy. In particular, claim 34 has been amended to reflect the particle size range of the solidified drop as "50-800  $\mu\text{m}$ " instead of "50-600  $\mu\text{m}$ ". Basis for this amendment appears at page 10, 1<sup>st</sup> paragraph of the specification.

No new matter has been added within the meaning of 35 USC § 132.

Therefore, entry of this amendment is respectfully requested.

Respectfully submitted,

**THE NATH LAW GROUP**
